County Activities of Excellence
2015 Winners

**Project:** Ag Rescue Training

**Program Area:** Education & Ag Promotion

**County Farm Bureau, State:** Cherokee, TX

**Membership Category:** 3001-5000 members

**Program Description:** The Farm Bureau hosted an Ag Rescue Training event for local first responders and volunteer firefighters. An instructor conducted a continuing education class for the emergency medical service and fire department personnel. Following the classroom training, participants received hands on experience with various farm equipment common in the area and discussed possible scenarios that might be encountered in emergency situations. They were educated on basic operation of equipment and best methods of safety for victims and emergency personnel during emergencies.
