

GRO WATERHOG

The GRO WaterHog is a premium, high-performance system for stormwater management. The GRO WaterHog has the infrastructure of the Classic system, with the addition of a high-retention drainage mat, that adds almost 25% more retention than the Classic. This system is meant to meet the highest requirements set by any U.S. cities.

DEPTH	5"
SOIL	4"
DRAIN MAT	1"
SATURATED WEIGHT	37 psf
WATER RETENTION	1.7 gal/sf
IRRIGATION	Site Specific

*soil depths can be customized
