

## GRO PORCELAIN PAVERS

GRO Porcelain Pavers can be used to create patio, terrace, and gathering spaces or to add walking paths to rooftop areas. Made for outdoor use, these pavers are slip, chemical, and fade resistant, and a no maintenance product. When installed on GRO Pedestals they offer a practical way to hide and protect roof penetrations, pipes, and uneven surfaces. GRO Porcelain Pavers are available in a variety of aesthetic colors, textures, and sizes, and are a MADE IN THE USA product.
