**God, grant me the serenity,
To accept the things I cannot change,
The courage to change the things I can,
And the wisdom to know the difference.**

CHAIR 1: In accordance with our 3rd tradition the only requirement for membership is a desire to stop living out a pattern of sex and love addiction. All SLAA members are welcome.

CHAIR 1: In this workshop we will introduce you to some outreach guidelines that Fellowship Wide Services have just released. We will begin with two lead shares. Then we will be sharing the outreach call guidelines so that you have your own copy for future use. We will read it together. Then we have a Q & A session – any questions can be typed into the chat box as we go along.

CHAIR 2: I would now like to introduce lead share 1, who will share for 8 minutes.

[Speaker 1 shares for 8 mins]

CHAIR 1: This concludes our meeting. We wish to thank those who shared today and those who shared by listening. Please remember our cherished tradition of anonymity. What you see and what you hear here, when you leave here let it stay here.

CHAIR 2: This concludes this session. The next session, on "Do I need a no contact boundary with someone?" starts immediately following this one, with no break. The opinions expressed here today are by those who shared and are not those of SLAA as a whole. Thank you for allowing us to be your chairs for this session.
